IDENTIFIERS *Family Education Loan Program; *Federal Direct Student Loan Program

ABSTRACT

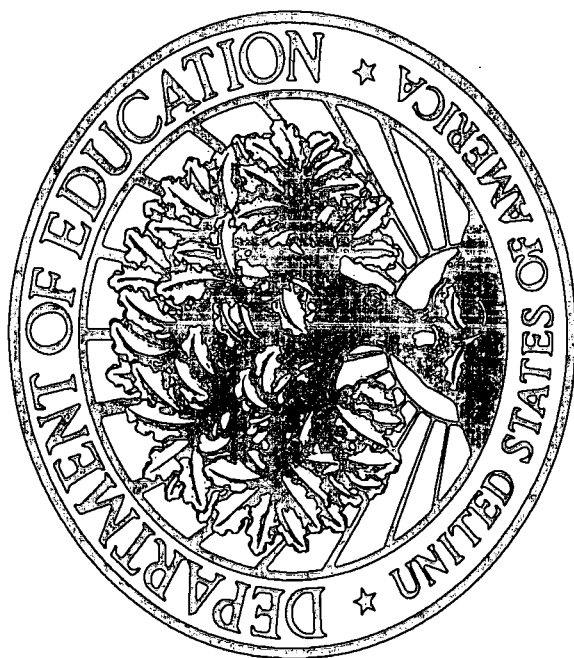

This report lists postsecondary schools with official student loan default rates of 25.0 percent or greater for fiscal years (FY) 1994, 1995, and 1996. The listed schools had previously been excluded from the Federal Family Education Loan Program and/or the Federal Direct Student Loan Program due to their high default rates, and this exclusion may be extended for an additional year due to their FY 1996 official cohort default rate. Schools are listed in state order. Provided for each listing is an identification number, school name and address, program length/type/region/district, year/s for which cohort default rates have been calculated, number of borrowers in default, number of borrowers in repayment, default rate, default rate per program, sanction status, and the date that the school may reapply for inclusion in these programs. It is noted that historically black colleges and universities, tribally controlled community colleges, and Navaho community colleges are exempt from these provisions by federal statute and regulation. UNITED STATES DEPARTMENT OF EDUCATION
WASHINGTON, D.C. 20202

NOVEMBER 1998

**SCHOOLS SUBJECT TO EXTENSION OF LOSS OF ELIGIBILITY TO PARTICIPATE IN
THE FEDERAL FAMILY EDUCATION LOAN PROGRAM (FFELP) AND/OR FEDERAL
DIRECT STUDENT LOAN PROGRAM (FDSLSP) DUE TO FY 1994, FY 1995, AND FY 1996
COHORT DEFAULT RATES OF 25.0% OR GREATER (PEPSR314)**

The attached report provides official cohort default rates for all schools with 30 or more borrowers or official average cohort default rates for schools with under 30 borrowers. All schools listed in this report have Fiscal Year (FY) 1994, FY 1995, and FY 1996 official cohort default rates of 25.0 percent or greater.

The report lists schools whose participation in the FFELP and/or FDSLSP ended in the past and their loss of participation may be extended for an additional year due to their FY 1996 official cohort default rate.

- Schools have the opportunity to appeal the one-year extension of loss based on pertinent criteria. See *FY 1996 Official Cohort Default Rate Guide* for details on appeal procedures.

REPORT FORMAT

Schools are listed by OPEID in state order. The type of loan program the school is currently participating in is indicated in the far left column with the following code:

C = No Longer in FFELP and/or FDSLSP

The listing also includes the following information about each school:

- a) Office of Postsecondary Identification Number (OPE ID) - This is a special number assigned by the Department to identify each school. A school's cohort default rate reflects the borrowers attending the school's main campus and any additional locations. The Department does not calculate separate cohort default rates for these additional locations.
- b) School Name and Address
- c) Program Length/Type/Region/District
- d) Year - The fiscal years for which cohort default rates have been calculated.
- e) Borrowers in Default - The number of borrowers who entered repayment in the applicable fiscal year (October 1 through September 30) and defaulted on their loans during either that fiscal year or the subsequent fiscal year.

- f) Borrowers in Repayment - The number of borrowers who entered repayment status during the applicable fiscal year.
- g) Default Rate - This is calculated by dividing the number of borrowers who entered repayment in a given fiscal year (denominator) into the number of borrowers who entered repayment and defaulted during the corresponding cohort period (numerator).
- h) Rate Type - Cohort default rates calculated by the Department are coded as follows:
- A = Actual
* = Average
- i) Program Rate - The type of rate calculated for a particular year as indicated by the following codes:
- FL = FFEL
DL = Direct Loan
DU = Dual (FFEL and Direct Loan)
- j) 1995 CDR Outcome - Sanction of school due to FY 1995, FY 1994 and FY 1993 cohort default rates.
- k) Reapply Date - Date school may reapply for FFELP and/or FDSLP from FY 1995, FY 1994, and FY 1993 cohort default rates.

NOTE: Historically Black Colleges and Universities, Tribally-Controlled Community Colleges and Navaho Community Colleges are exempt from these provisions by federal statute and regulation.
